Penchura Named Landscape Structures' 2021 Rep of the Year

Team acknowledged for culture, team spirit and best-in-class service

Delano, Minn. (Feb. 15, 2022) – Landscape Structures Inc., a Delano, Minn.-based commercial playground equipment manufacturer, has named Penchura of Brighton, Mich., 2021 Rep Organization of the Year. The award was presented to the Penchura team last month during Landscape Structures' annual sales meeting.

“Penchura was named 2021 Rep Organization of the Year because of their culture, team spirit and the best-in-class service to everyone with which they work,” said Pat Faust, president of Landscape Structures. “Penchura has been a great partner of Landscape Structures as well as the playground design industry as a whole, and we are proud to have their team bringing our playground, shade and splash pad solutions to Michigan and Ohio.”

Penchura is committed to providing great recreation spaces to communities throughout Michigan and Ohio using only the highest quality products and service. With a team made up of professional engineers, licensed landscape architects, LEED accredited professionals, designers and support staff, the organization is poised to assist clients every step of the way.

Penchura is one of more than 50 independent sales organizations representing Landscape Structures worldwide. They have been a distributor of Landscape Structures park and playground equipment for more than 15 years and are now bringing SkyWays® shade structures and Aquatix® aqua playgrounds to communities in Michigan and Ohio.

About Penchura

For the past 15 years Penchura, LLC has placed an emphasis on providing great recreation spaces to communities using only the highest quality products and service. Our team is made up of Recreation Professionals with more than 80 years combined experience in the business. We partner with clients to develop outdoor spaces that meet community needs and promote engagement in play, resulting in thousands of playground, spray park and shelter projects throughout Michigan and Ohio. About Landscape Structures Inc.

Since 1971, Landscape Structures Inc. has been the leading manufacturer of commercial playground equipment in the world. Our employee-owned company designs community and school playgrounds that encourage kids of all ages and abilities to learn persistence, leadership, competition, bravery, support and empathy through play. We push the limits—of design, inclusion, play—to help kids realize there is no limit to what they can do today and in the future. For a better tomorrow, we play today. Learn more at playlsi.com.
