Landscape Structures Launches 10th Annual Parks & Recreation State Speaker Scholarship Program

Scholarship program supports keynote speakers at annual and regional conferences
Delano, Minn. (July 25, 2018) — Landscape Structures Inc., a Delano, Minn.-based commercial
playground equipment manufacturer, has announced that they are once again accepting applications for
their annual Parks and Recreation State Speaker Scholarship program. The 2018-2019 program will
support the appearances of keynote speakers at state parks and recreation associations' annual or regional
conferences.

State associations that are chosen will receive a scholarship of \$2,500 to support conference
speakers whose messages are focused on topics related to play, environmental stewardship or other
professional development topics. Scholarship applications are being accepted now through June 30, 2019.

Since the scholarship program's inception in 2009, Landscape Structures has awarded more than
200 scholarships to state associations and more than \$530,000 to support the appearances of speakers at
park and recreation conferences throughout the nation.

“We are proud to continue our support of state parks and recreation associations through this
scholarship program,” said Lynn Pinoniemi, director of marketing at Landscape Structures. “These
associations and their members are doing great work, and as a result, creating thriving communities. The
scholarship program is just one way that we can help these professionals reach their goals.”

Since 1971, Landscape Structures Inc. has been the leading manufacturer of commercial playground equipment in the world. Our employee-owned company designs community and school playgrounds that encourage kids of all ages and abilities to learn persistence, leadership, competition, bravery, support and empathy through play. We push the limits—of design, inclusion, play—to help kids realize there is no limit to what they can do today and in the future. For a better tomorrow, we play today.
