Landscape Structures, Kiwanis International Launch Contest to bring \$25,000 in Playground Equipment to a Deserving Kiwanis Club's Community Contest encourages Kiwanis members to help build community through playgrounds Delano, Minn. (April 4, 2016) — Landscape Structures Inc., a Delano, Minn.-based commercial playground equipment manufacturer, announced today that it will once again partner with Kiwanis International, a global organization of members of every age who are dedicated to serving the children of the world, to help a deserving Kiwanis club bring a playground to their community through the Legacy of Play Contest on Facebook.

The winning Kiwanis club will receive \$25,000 in playground equipment to be used toward a playground project. The contest is open to all Kiwanis clubs that are currently working on a playground project, and that can complete the project on or around 2017 Kiwanis One Day, Kiwanis International's signature day of service during which many clubs participate in service projects benefiting their local communities.

Qualified contestants may enter the contest at [facebook.com/Kiwanis](https://facebook.com/Kiwanis) by completing the entry form. Entries will be accepted April 4 through May 5, 2016. Following the submission period, Facebook users will have the opportunity to vote for their favorite project. The contest winner will be announced on or around June 9, 2016. Find complete contest rules by visiting [kiwanis.org/oneday](https://kiwanis.org/oneday), then choose "Legacy of Play Contest" on the sidebar.

This is the third year that Kiwanis International and Landscape Structures have held a playground contest for Kiwanis clubs. In 2013, the Iola Kiwanis Club in Iola, Kan., was the winner and went on to design and install an inclusive playground environment that welcomes children and families of all

abilities. In 2015, the Kiwanis Club of Ottawa, Ill., was named the winner of the Legacy of Play Contest. The club continues to fundraise for their inclusive playground project with plans to install phase one this spring.
